

SPIG INDUSTRY, LLC
14675 Industrial Park Road
Bristol, VA 24202

Product SGET (SPIG Gating End Terminal) (Cloned)

Category 612 Guardrail

Subcategory 708.02 Reinforcing Steel - (Roadside Terminal - Tangent)

It is our pleasure to inform you that the product listed above has been Approved to be included on the Idaho Transportation Department (ITD) Qualified Products List (QPL) in the category and subcategory shown. The product will retain this status solely at the Department's discretion. Product status is contingent upon the following conditions:

Product continues to meet the Department's specifications

Product performs satisfactorily under field conditions.

Annual product recertification is maintained.

Here is a link to our QPL website: <https://apps.itd.idaho.gov/apps/QPL2/>

QPL credibility is dependent on accurate information. Please provide updates whenever there are changes to product design and/or composition. We also request updates when manufacturer information or contact information changes.

We reserve the right to request samples for testing at our convenience and/or require the submittal of current test data from a qualified testing laboratory for our review should the product fail to perform satisfactorily or if changes are made to the product after placement on our QPL.

If you have any questions concerning your product listing, please contact the program administrator at: ITDQPLAdmin@itd.idaho.gov.

Thank you for your participation in the ITD QPL program! Please let us know if you have any questions.

Respectfully,
QPL Administrator
